Rugged Pager &
Rugged Pager Charger

Rugged Pager

Our Rugged Pager is built to last, is extremely reliable, and is perfect for small or large teams. With programmable alert types, you can choose from a combination of vibration, flash or beep.

The set-up, maintenance and battery replacement is quick and easy. The Rugged Pager is one of our most popular-selling staff pagers for restaurants, warehouses, hospitals and more.

Additional Features

The Rugged Belt Pager is extremely flexible and fully compatible with JTECH's complete line of transmitters.

UHF Technology

Up to 2-mile range with unique ID to prevent signal interference.

Durable for High Volume Use

Built with high-quality materials for maximum durability and industry leading performance.

Reprogramming Capabilities

With the touch of a button, pagers renumber based on their position in charger.

User-Replaceable Batteries

Replace your own batteries to reduce downtime and cost.

Smart Alerts

Out-of-Range and Search ensure guest contact and minimize pager loss.

Digital Display

For customized alerts using numeric messaging.

Optional Manager Pagers

Managers can choose between alpha text, numeric or rugged rechargeable pagers.
